volunteering as a Befriender with someone living with dementia is all about supporting that person to continue to do the things they might well have loved doing all their life – simple things such as pottering around their garden having a natter over a cup of coffee going for a stroll or playing a game of scrabble or dominoes. It always starts in the person's home but can extend out into the community if that is what both people want and feel comfortable

doing. It doesn't take a huge amount of time – maybe up to 2 hours every week or fortnight – and it's always within the hours of 9.00 to 4.00 Monday to Friday. No special skills or experience are needed all we ask is that our volunteers are patient and reliable have good communication skills are willing to commit to volunteering for at least 6 months once they've completed their training and are able to submit a simple written report after each visit. Knowledge of dementia is not required just a willingness to learn a little about the condition. We provide full training one-to-one support via a dedicated Role Manager cover agreed out of pocket expenses and run regular volunteer team meetings.

Bronzefield Prison Independent Monitoring Board

Contact Alison Keightley Telephone 07711 789 204 Email alisonmky@gmail.com

Independent Monitoring Boards (IMBs) monitor the treatment of people in custody to confirm it is decent, just and humane. IMBs are made up of independent public appointees and operate in every prison and Immigration Removal Centre. For more information about IMBs see www.imb.org.uk. A recruitment campaign is currently underway to attract ordinary people from different backgrounds to join the Bronzefield IMB and play a key independent role at the prison in Ashford, Surrey, close to Heathrow Airport. To join you don't need any special knowledge or skills as full training is provided. You just need to be open-minded, independent and able to commit 3-4 days per month. The role is unpaid, travel expenses are reimbursed but it carries great responsibility and brings the rewards of knowing you are making a real difference to some of the most vulnerable people in our community. The IMB is looking for local people who are open-minded and objective with the ability to work well in a team and communicate with people from a range of different backgrounds. You must be trustworthy, able to listen and have a commitment to equality, diversity and human rights. IMB Bronzefield Chair Alison Keightley said: "Joining an IMB is a unique experience and a great opportunity to make a positive difference. As the eyes and ears of the public it's our

job to know what's going on in the prison and we get involved in all areas. It's demanding and rewarding where no two days are the same. For example you might find yourself helping a new arrival find their feet monitoring educational opportunities carrying out a survey on homelessness on release or listening to comments about the quality of the food. Last year we dealt with more than written 600 applications from prisoners all of which were important to the individual prisoner. But we're not a soft-touch - we make up our own minds about whether something is fair and decent and speak out when something isn't right. We are a friendly and hard-working group - although the role may look daunting at first you will get all the support you need to play your part". To apply visit our website at: www.imb.org.uk join-now current-vacancies The closing date is 15 September 2019.

The children's ages range from 9mths to 3 years old. It is a chance to help these young parents have a time where they meet their friends get to know other parents and have an opportunity for their children to learn those essential social skills that are a building block for the rest of their lives. There is a selection of ride-on cars scooters trikes and other toys placed on the carpet with slides and see-saws to occupy the attention and energies of the toddlers. There is a refreshment time where the children have a biscuit and a drink and

parents have a cup of tea coffee and the whole session ends with a Sing-a-long Nursery Song time. We open school term times only. The benefits are being part of the Salvation Army volunteers – a kind of fellowship and friendship which comes through spending time with others. You will be helping the local community by providing a valuable friendship group for the parents and safe social opportunities for these little people. You might also be able to share some tips and ideas for young parents if you yourself have raised a family.
